

# Fleet Management Solution

Stay connected with your moving fleet in real-time.

## Gain total visibility of your vehicles, trucks, cargo, and vessels

Overdrive offers you cutting-edge telematics solutions that are far beyond your simple GPS. We gear you with the tools you need to stay on top of your business and maximize your fleet's full potential without compromising efficiency, productivity, and cost.

We make fleet data readily accessible so you are always updated on your vehicle's journey, anywhere, anytime.

**Overdrive can help you navigate your fleet with ease and get the best results that put your business on the right track. Having the right fleet management solution gives you**

### Boost Cost Efficiency

Analyze driving behaviors to eliminate wastage and unnecessary usage

### Fleet Protection

Identify dangerous driving behavior and provide safety metrics for your drivers, keeping drivers safe and vehicles in good condition.

### Accurate Data Analytics

Get accurate real-time access to vehicular data and have valuable insights to make better business decisions

### Free Installation

No upfront set up cost, just a monthly subscription fee

### Prevent vehicle theft

Detect any signs of unauthorized use and safely immobilize when needed.

**We serve every industry, no matter the size of fleet, no matter the type of vehicle - manage it all in one centralized platform.**

## Why Overdrive's Fleet Management Solution is the right solution for you.

### Know where your moving fleet are at all times

Capture your vehicle's journey and gain full control over your fleet operation in a centralized platform. Set up virtual fences to your advantage and push triggers when your vehicles are out of bounds. Sailing into the sea? Overdrive can even keep an eye on your vessels, providing visibility of your entire voyage.

Fleet Overview

Live GPS Tracking

Trip Monitoring

Geofencing Capabilities

Real-Time Alerts

### Safeguard your fleet and drivers

Monitor risky driving behaviors such as harsh braking, cornering and accelerating. Protect your vehicles from mechanical issues, unauthorized usage and high risk road conditions.

**Driver Behavior Monitoring**

**Immobilizer**

**Video Live Streaming Capabilities**

### Automate reports and streamline fleet-related processes.

Generate track reports such as idling, speeding, location history, trip records, vehicle health and driver behavior to identify challenges and gain valuable insights to make better-informed decisions.

**Live Reporting**

**Historical Playback**

**Easy Data Access**

### Keep your vehicle health in check

Detect any possible signs of vehicle malfunction before it even happens. Carry out preventive maintenance schedules to upkeep vehicles and send reminders of any missed schedules to avoid costly and unexpected downtimes.

**Vehicle Diagnostics**

**Vehicle Statistics**

#### Fuel Monitoring

Track your fuel level consumption and optimize fuel efficiency

#### Temperature Probe

Maintain a suitable environment for perishable goods while they are in transit

#### Car Sharing

Transform vehicles into a sharing-ready fleet

#### Driver Identification

Always know who is driving and safeguard your vehicles from potential theft

### Data Roaming

Let your vehicles stay connected even when they travel overseas

### Facial Fatigue Recognition

Provides fatigue level data of crew members

### Tyre Pressure Monitoring

Provides all vehicle tyre air pressure data

### Indoor Monitoring

Provides real-time location of vehicles indoors or even in areas with no GPS connectivity.

## Manage every aspect of your fleet through our mobile app.

We empower you with data-enriched information at your fingertips even when you're on the go. Best of all, you can take the appropriate actions and enhance your business operations for optimum performance.

Want a fleet management system but don't know how to begin? Let Overdrive help you manage your vehicles, so you can enjoy the drive.

**Maximize your fleet's fullest potential.**

**Let Overdrive manage your vehicles so you can enjoy the drive.**
